THREE GREATEST ADVANTAGES OF TAMPONS BY TOSAMA

1. Internationally verified

- GOTS certified
- OCS certified
- FDA approved
- Dermatologically tested
- Gynecological approved

2. New patent

PATENT Tearing tape

A technology in which torn fibers at the end of the tape hug the tampon and bind it better. Improved quality tampons for even more comfortable wearing and greater safety in use.

3. Flexibility

We find the most suitable solution for each partner and each market.
We advise and support you.
Your wish is our challenge:
